WHY BOUTIQUE POS

Every order, ready on the day

A boutique runs on promises: a suit by Friday, a bridal dress by the 15th, the balance on delivery. Boutique POS books each order with the customer's measurements, keeps the advance and balance straight, reminds you of every delivery date, and sells ready stock alongside.

AT THE COUNTER

Book

Order and measure.

- Stitching order booking
- Customer measurements saved
- Advance taken on booking
- Ready articles sold too

IN THE WORKSHOP

Deliver

On the promised day.

- Delivery date on each order
- Reminders for orders due
- Pending orders in one list
- Balance taken on delivery

FOR THE OWNER

Report

Sales and pending.

- Sales report
- Pending-order report
- Advance and balance totals
- Article-wise stock

WHO IT'S FOR

Boutiques · Ladies tailors · Gents tailors · Designer studios · Bridal wear houses · Stitching & embroidery shops

Measured once, delivered on time

Built for boutiques and tailors who book orders on a promise and sell ready articles from the same counter.

FEATURES

What it does

Stitching / order booking

Order booked with the suit, design and charges

Order number slip for the customer

Status from booked to ready to delivered

Customer measurements

Measurements saved against the customer

Next order picks them up again

Update them when the size changes

Delivery date reminders

Delivery date set on every order

Due today and this week shown up front

Late orders stand out in red

Advance & balance payments

Advance taken when the order is booked

Balance worked out and shown on the order

Paid in full at delivery

Article-wise stock

Ready articles kept by article number

Sale takes the piece out of stock

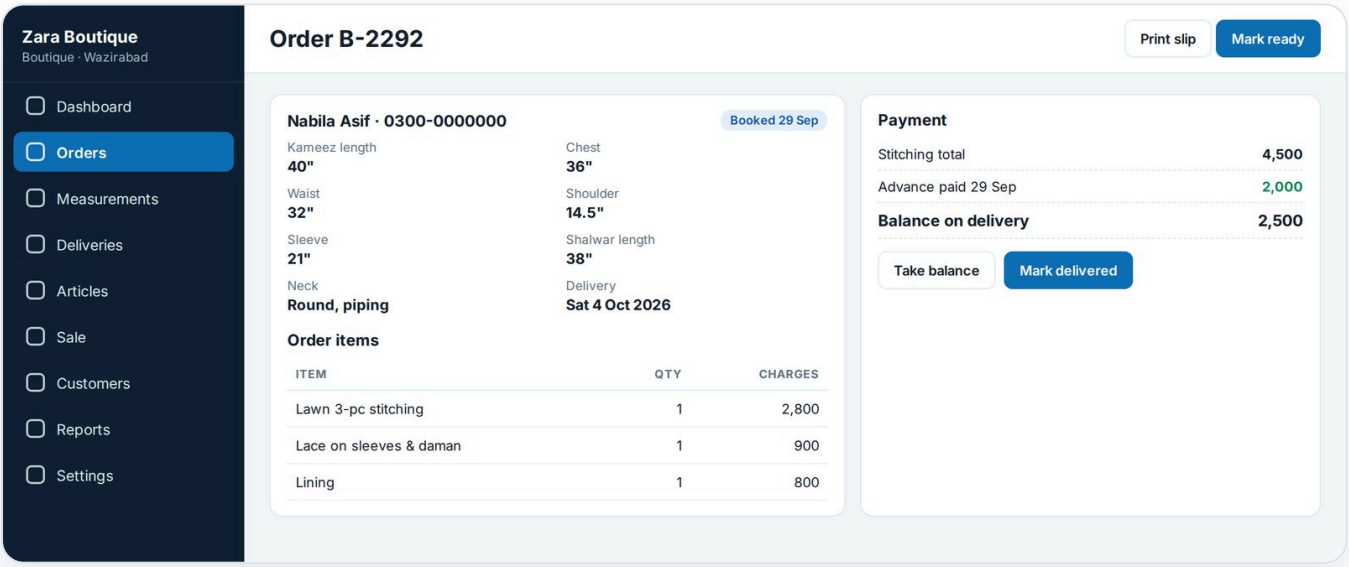
Stock left per article at a glance

Sales & pending-order reports

Sales of orders and ready articles by day or month

Pending orders with balance still to come

Delivered orders for the month



Order & measurements

One order with the customer's measurements, charges and payments.
