WHY HOSPITAL MANAGEMENT SYSTEM

One patient, **one bill**

When OPD, wards, pharmacy and lab each keep their own register, charges get missed and doctors' shares are worked out by hand. Hospital Management System joins them together: tokens at reception, beds on the wards, medicines and tests on the same patient, and one consolidated bill at discharge.

AT RECEPTION

OPD

Tokens and consultants.

- OPD tokens
- Consultant scheduling
- Patient file from the first visit
- Consultation fee on the bill

ON THE WARDS

IPD

Admission to discharge.

- Admission and bed allotment
- Ward management
- Pharmacy issues to the patient
- Lab orders and reports

FOR MANAGEMENT

Billing

Every charge in one place.

- Consolidated patient billing
- Doctor share
- Department reports
- Pharmacy and store stock

WHO IT'S FOR

Private hospitals

Medical centres

Maternity homes

Surgical hospitals

Trust hospitals

Specialist centres

FEATURES

What it does

OPD tokens and consultant scheduling

Token issued at reception in order

Consultant timings and patients per session

Fee goes straight onto the patient's bill

Integrated pharmacy and store

Medicines issued against the patient

Pharmacy stock goes down with each issue

Store items kept in the same system

Consolidated patient billing

Room, doctor, medicines and tests on one bill

Advance deposits taken off at discharge

Final bill printed at the counter

IPD admission, bed and ward management

Admission with the consultant and ward

Beds shown free or occupied

Room charges added day by day

Lab orders and reports

Tests ordered from OPD or the ward

Results entered by the lab

Report printed and kept on the patient file

Doctor share and department reports

Doctor share worked out from their patients

Department-wise revenue: OPD, IPD, pharmacy, lab

Daily and monthly reports for management

Launching soon – be first in line

Hospital Management System is in the works at iPOS Wazirabad. Send us a WhatsApp and we will show you the preview, take your shop's needs into the final version, and set you up first when it launches.

GETTING STARTED

From preview to your business

1

Preview demo

WhatsApp **0321-2121262** and we show you the screens and plan.

2

Your needs

Tell us how your business works; we fit the setup to it.

3

Setup & training

We install it, enter your data and train your staff.

4

Support

Phone, WhatsApp and remote help from our Wazirabad office.

WHAT YOU GET

- ✓ Hospital Management System installed and set up
- ✓ Training for your staff
- ✓ Phone, WhatsApp and remote support
- ✓ Your data entered to start
- ✓ Printer and hardware setup, if needed
- ✓ Price: call or WhatsApp for a quote
