**MADE FOR PAKISTANI HOTELS**

From the first booking to the **final bill**

Most hotels still run on a register, a room board on the wall and a diary at the restaurant. Hotel Manager keeps every booking, guest, room, food order and payment in one place, so nothing is missed and every rupee reaches the bill.

AT THE FRONT DESK**Book**

Fill rooms quickly and never double-book.

- Room board and 14-day room chart
- Walk-in, phone and online bookings
- Group and family bookings, advance
- Check-in with CNIC photos
- Check-out with the full bill

AROUND THE HOTEL**Serve**

Restaurant and staff work from the same data.

- Restaurant and room service orders
- Kitchen order slip (KOT)
- Food charged to the room bill
- Housekeeping: dirty to clean
- Laundry slips on the bill

FOR THE OWNER**Control**

See every room and every rupee, even from home.

- PIN logins for each staff member
- Manager PIN for discounts and refunds
- Occupancy, room rate, revenue
- Unpaid bills and expenses
- Activity log of risky changes

WHO IT'S FOR

Hotels

Guest houses

Rest houses

Highway motels

Hotels with restaurants

Tourist hotels (Murree, Swat, Naran)

**Keeps working when
the **internet goes down****

Everything is saved on the device first. When the internet is back, reception, the restaurant, housekeeping and the owner's phone all sync to the same data, with a cloud backup.
