MADE FOR DISTRIBUTION

From the booker's phone to the **van and back**

Distribution runs on bookers, routes, schemes, vans and market credit. iPOS Distribution brings the orders from the field to the office, turns them into bills and a load pass, and tracks every carton and rupee until the van comes back.

IN THE FIELD

Book

Order bookers on Android phones.

- Today's route and shops
- Grid entry in cartons + pieces
- Last price and scheme on every line
- No-order visits with reason
- GPS location and shop photo

IN THE OFFICE

Deliver

Orders become bills and load passes.

- Tick orders, make load pass
- Load sheet with free goods
- Bills and recovery sheet printed
- Delivered / part return / not delivered
- Cash handover, short or excess

FOR THE OWNER

Control

Every company, route and person.

- Market dues with aging
- Company claims for schemes
- Targets and commission
- Booker and salesman reports
- Productive shop visits %

WHO IT'S FOR

FMCG distributors
