WHY LABORATORY MANAGEMENT SYSTEM

From sample to report, **no paper**

Handwritten slips get lost, results get typed twice, and referral commissions are worked out at month end by hand. Laboratory Management System barcodes every sample, shows normal ranges while results are entered, prints or sends the report, and keeps each referral doctor's commission and the day's revenue in order.

AT RECEPTION

Book

Tests and samples.

- Test catalogue and panels
- Sample barcoding
- Sample tracking
- Referral doctor on the bill

IN THE LAB

Results

Entered once, checked.

- Result entry
- Normal ranges beside each result
- Report printing
- WhatsApp delivery

FOR THE OWNER

Revenue

Every test counted.

- Referral doctor commission
- Daily revenue report
- Test-wise report
- Panels and tests in one list

WHO IT'S FOR

Diagnostic labs

Collection centres

Hospital labs

Clinic labs

Pathology labs

Labs working with referral doctors

FEATURES

What it does

Test catalogue and panels

Every test with its rate and normal range

Panels like LFT or RFT booked in one go

Rates updated in one place

Result entry with normal ranges

Results entered test by test

Normal range shown beside each value

High or low values stand out

Referral doctor commission

Referring doctor saved with the bill

Commission worked out automatically

Monthly statement for each doctor

Sample barcoding and tracking

Barcode label printed for each sample

Status from collected to reported

Pending samples listed for the lab

Report printing and WhatsApp delivery

Report printed on your letterhead

Sent on WhatsApp to the patient

Reprint any old report later

Daily revenue and test-wise reports

Today's revenue and patients

Test-wise count and amount

Monthly totals to compare

Launching soon – be first in line

Laboratory Management System is in the works at iPOS Wazirabad. Send us a WhatsApp and we will show you the preview, take your shop's needs into the final version, and set you up first when it launches.

GETTING STARTED

From preview **to your business**

1

Preview demo

WhatsApp **0321-2121262** and we show you the screens and plan.

2

Your needs

Tell us how your business works; we fit the setup to it.

3

Setup & training

We install it, enter your data and train your staff.

4

Support

Phone, WhatsApp and remote help from our Wazirabad office.

WHAT YOU GET

- ✓ Laboratory Management System installed and set up
- ✓ Training for your staff
- ✓ Phone, WhatsApp and remote support
- ✓ Your data entered to start
- ✓ Printer and hardware setup, if needed
- ✓ Price: call or WhatsApp for a quote
