MADE FOR OPTICAL SHOPS

From the eye test to the **glasses in hand**

Most optical shops keep prescriptions in registers, lab jobs on slips and balances in memory. Optix keeps every patient, power, order, lab job and payment in one place, so nothing is lost and every pair of glasses is ready on time.

IN THE TESTING ROOM

Test

Save every prescription with the patient's full history.

- SPH, CYL, AXIS, ADD and VA for both eyes
- PD, near PD, contact lens BC / DIA
- Change from the last test shown in red
- Outside doctor's prescriptions too
- Print the Rx on A5 or 80 mm

AT THE COUNTER

Order & sell

Take the order, the advance and the frame in one screen.

- Frame from stock or customer's own
- Lens type, index, coating and tint
- Advance, balance and ready-by date
- Customer receipt + workshop job card
- Counter sale for sunglasses, contacts, solutions

FOR THE OWNER

Control

See the lab, the stock and the money at a glance.

- At lab, ready and late orders
- What each lab has done and what you owe
- Stock of frames and accessories
- Profit after frame, lens and lab cost
- PIN logins for each staff member

FAST AT THE COUNTER

An order in under a minute

Pick the patient, the power comes in from the eye test, type a few letters to find the frame in stock, enter the advance and print. F3 new order · F4 new eye test · F6 counter sale · F10 save.

The screenshot shows the Optix software interface. On the left, under the 'Frame' section, there is a checkbox for 'Customer's own frame (only lenses)'. Below it, a text input field contains 'rim'. A dropdown menu shows two options: 'Rimless titanium' (Frame · Silhouette · Silver, Stock 9 · Rs 9,000) and 'Metal full rim' (Frame · Vogue · Gold, Stock 5 · Rs 4,500). Below the dropdown, there are fields for 'Type' and 'Colour / size'. On the right, under the 'Lenses' section, there is a text input field for 'Find lens in price list / stock' containing 'Type lens name...'. Below it, there are fields for 'Lens (brand / name)' and 'Price (pair)'. Further down, there are dropdown menus for 'Type' (set to 'Progressive') and 'Material / index'. At the bottom, there are fields for 'Coating' and 'Tint / colour'.

Frames drop down as you type

With stock and price, or scan the barcode. Lens type, coating and price are kept with the order.

STAFF LOGIN

The screenshot shows the Optix Staff Login screen. At the top, it says 'Optix Optical Shop Software Vision Optical Wazirabad'. Below that, a banner says 'Free demo - 3 days left'. The user 'Ali Raza' (Owner) is logged in, indicated by a circular profile icon with the letter 'A'. Below the user name, there is a 'PIN' input field. A numeric keypad with digits 1-9, 0, and a backspace key is displayed. At the bottom, there is a 'Log in' button and a link to 'Manage users'.
