MADE FOR POULTRY FARMS

From day-old chick to the last load sold

Most farms keep mortality on a wall chart, feed on bag counts and dealer money in a diary. Poultry Manager keeps every shed, every day's dead birds, feed, eggs, vaccine and sale in one place, and works out the FCR, the cost per bird and the real profit of every flock.

IN THE SHED

Record

One screen for all sheds, every evening.

- Dead birds and culls
- Feed in kg or bags, water
- Eggs collected and broken
- Sample weight and temperature
- Vaccines and medicine given

AT THE GATE

Sell

Birds, eggs and chicks with a proper bill.

- Live birds per kg or per bird
- Eggs per tray, dozen or egg
- Vehicle no. on the bill
- Dealer khata with running balance
- Bills in Urdu or English

FOR THE OWNER

Control

Know each flock's numbers from anywhere.

- FCR, EPEF and egg production %
- Cost per bird, per kg and per egg
- Profit of every flock
- Feed stock and days of feed left
- Daily report on WhatsApp

WHO IT'S FOR

Broiler farms

Layer (egg) farms

Breeder farms & hatcheries

Desi & golden farms

Owners with many farms

**Keeps working at the farm
with no internet**

Everything is saved on the device first, and on the office PC in its own database file with automatic daily backups. With cloud sync, the farm manager's phone, the office PC and the owner all see the same flocks, sales and stock.

FEATURES

Everything a poultry farm needs

Flocks & daily records

Farms and sheds: many farms in one account, sheds with capacity

Flocks: broiler, layer, breeder, desi; breed, birds placed, age, chick rate

Daily entry for all sheds on one screen: dead, culls, feed, water, eggs, weight

Birds left worked out every day from mortality and sales

Daily register per flock, downloadable for Excel

Vaccines & medicine

Vaccination programme for each flock type, editable to your vet's advice

Due today and late vaccines on the dashboard and menu

Medicine log with dose days, reason and vet

Withdrawal period: warns which flocks must not be sold yet

Vaccines and medicine **come out of stock** automatically

Sales & khata

Eggs per tray, dozen or egg, with **egg stock**

Dealer khata: opening balance, credit limit, ledger, statement

Payments by cash, bank, JazzCash, Easypaisa, cheque

WhatsApp bill, balance reminder and thank-you in Urdu or English

Numbers that matter

FCR and **EPEF** for broilers, live

Weight vs breed guide for every day of age

Hen-day egg production % against your target

Mortality % with a red alert on bad days

Charts: mortality, feed, weight and egg production

Feed & stock

Feed in kg and bags: type 3b for three bags

Days of feed left from the last week's use

Purchases from feed mills and medicine dealers, with freight

Supplier accounts: bills, payments and what you owe

Move stock between farms, stock counts and adjustments

Hatchery, staff & reports

Hatchery: eggs set, candling, hatch, grade-A chicks, hatch %
