**RETAIL AND WHOLESALE TOGETHER**

The counter and the parties, one stock, one set of books

Many shops sell to walk-in customers at the counter and to other shops in bulk. Retail & Wholesale POS does both from the same stock, with the right rate for every sale.

AT THE COUNTER**Retail**

Walk-in customers served fast.

- Barcode or touch tiles
- Scale labels for loose items
- Hold & recall bills
- Split payment
- 80mm / 58mm receipts

FOR PARTIES**Wholesale**

Bulk sales at the right rate.

- Retail / wholesale / special rates
- Last rate to the party
- Credit limit check
- Quotation, order, challan
- A4 invoice

FOR THE OWNER**Control**

Everything in one place.

- One stock for counter and parties
- Party ledgers and aging
- Day cash book and closing
- Profit on every bill
- PIN logins with roles

WHO IT'S FOR

Kiryana wholesale + retail

Cosmetics & general stores

Hardware shops

Stationery & books

Crockery & plastic

Any shop that also supplies shops

**Keeps working when
the internet goes down**

Every PC and phone keeps its own copy. With an online shop account, the counter, the office and the owner's phone all see the same stock, sales and balances.

FEATURES

Retail and wholesale, in one app

Counter sale

Barcode or touch tiles: scan, type or tap, with **3*barcode** for quantity

Weighing-scale labels for loose items like rice, sugar and daal

Hold & recall a bill and serve the next customer

Split payment: cash, card, JazzCash and Easypaisa on one bill

Change worked out as you type the cash received

Quotation to invoice

Quotation with valid-till date, printed or on WhatsApp

Sale order turned into an invoice when goods go out

Part delivery with a **delivery challan** without prices

A4 invoice with amount in words and terms

Products & stock

Cartons, dozens and pieces with their own barcode and price

Low-stock list, stock count and stock adjustments

Barcode labels for shelves and products

Import products from Excel / CSV in one go

Wholesale bill

Party rates: retail, wholesale and special price levels

Last rate given to this party, shown on the line

Cartons, dozens and pieces on the same bill

Credit limit check with manager approval

Due date, vehicle / delivered-by and note on every bill

Party accounts

Customer and supplier ledgers with opening balances

Unpaid bills oldest first and receipts against them

Aging: 0-30, 31-60, 61-90 and 90+ days

WhatsApp statements and payment reminders
