WHY SCHOOL MANAGEMENT SYSTEM

One office, **every record**

A school office juggles admission forms, fee registers, attendance sheets, result cards and salary sheets. School Management System keeps all of it in one place on your own school server, so the office, the teachers and the parents see the same numbers.

IN THE OFFICE

Admit & collect

Students and fees in order.

- Admissions and student records
- Fee receipts and invoices
- School shop sales against the student
- Expenses and school finance

IN THE CLASSROOM

Teach & assess

Class work, marks, results.

- Daily student attendance
- Exams with printed report cards
- Teacher portal for class-wise work
- Timetable and academic calendar

FOR THE PRINCIPAL

Run the school

Staff, notices, safety.

- Staff records, leave and payroll
- Notices for staff and parents
- Parent portal for families
- Automatic backups and idle auto-lock

WHO IT'S FOR

Private schools

Primary & high schools

Colleges

Academies

Boarding schools

School systems

Your data, **your server**

Runs on your own SQL Server across the school network, so every office PC and teacher works on the same records.
