MADE FOR TAILORING SHOPS

Every suit on time, and every rupee collected

A tailor's shop runs on a register of measurements, a diary of orders and a karigar's notebook. Tailor Master keeps all three in one place, so you always know what is due, where each bundle is, and what is owed.

AT THE COUNTER

Book

A whole order in under a minute.

- Customer, garment, pieces, delivery date
- Measurements copied from the last order
- Prices picked from your rate list
- Advance taken at booking
- Token with barcode printed

IN THE WORKSHOP

Make

Know where every bundle is.

- Booked, cutting, stitching, ready
- Scan the bundle tag to move it on
- Cutting slip with Urdu measurements
- Who cut and who stitched it
- Rack / shelf number when ready

FOR THE OWNER

Collect

No suit goes out unpaid.

- Balance taken when marked delivered
- Karigar wages by piece rate
- Daily cash book
- On-time and rework reports
- Staff logins with roles and PIN
